

[MBA Graduates] Global Management Training Program

Company	Harim Group Sunjin
Business Type	Global Corporation
Job Title	[MBA Graduates] Global Management Training Program
Location	Seoul
About Us	Sunjin, a key affiliate of the Harim Group, has led innovation in the livestock and food industry since 1973. Pioneering the first domestic breeding swine business, Sunjin began producing robust swine that adapted well to the weather conditions in Korea, and created the first domestic branded meat, "Sunjin Pork Handon", which set a new standard for the market. Beyond being a simple food company, we are transforming the paradigm of the future food industry through active investments in cutting-edge technologies like ICT-based smart farming and environmental solutions. With a successful track record of expansion into overseas markets, including the Philippines, Vietnam, China, Myanmar, and India, we are rapidly accelerating our global footprint. Under our corporate mission, "Nurturing Dreams Together", we invite you to join Sunjin, a company committed to continuous innovation and growth. This is an opportunity to improve your business insight and leadership on a global stage.
About the Sunjin's Global Management Training Program	This program is designed to recruit smart and capable MBA graduates(or candidates) and train them to become global management experts at Sunjin. Trainees will participate in a rotational program in Korea over a period of 1 to 2 years, working in various key departments such as planning, marketing, HR, sales, and business operations for approximately six months each. After completing the rotations, trainees will be transferred to an overseas
